

WANDERING NOMADS EXPEDITIONS

DISCLAIMER OF LIABILITY

Wandering Nomads organises trekking and driving excursions into the remote regions of Northern Kenya. In consideration for Wandering Nomads permitting me to voluntarily participate in this tour, I agree to the following terms of this Agreement.

I understand that travel in the remote regions of Northern Kenya includes certain inherent and other risks and dangers, all of which are too numerous to list, which include, but are not limited to, acts of God, terrorism, civil unrest, hazards of travel in difficult terrain, weather (including mudslides, rockslides, flooding), altitudes, travel by air, motor vehicles, animal, or other conveyance, exposure to disease, drowning, accidents, bites and animal attack. I further acknowledge that the forces of nature, crime, civil unrest and personal injury or illness in remote areas without means of rapid evacuation or adequate medical care or supplies are risks which exist in travel to this region. These risks cannot be eliminated and I willingly assume these risks. I understand that any of these risks may result in bodily or emotional injury, death and/or damage to property, including lost luggage or other belongings, to myself or to third parties.

I understand the physical requirements of the activity in which I will be participating, and I currently have no known physical, medical or mental condition which would impair my ability to participate in this tour or my safety in this activity, or else I am willing to assume all risks that may be created, directly or indirectly, by any such condition. I hereby authorise Wandering Nomads to arrange for any emergency medical treatment and hospitalisation as may be necessary for me because of participation in this activity without my further consent. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself and all related costs, such as evacuation, etc.

I have been advised to obtain 'Worldwide-Super' category travel insurance and emergency evacuation cover which, under most circumstances, insures against unforeseen travel issues and risks, interruptions, delays, lost / stolen / damaged travel documents and personal property, medical expenses, evacuation and other emergency transportation.

Understanding the risks described in this document, I agree to release Wandering Nomads, its directors, employees, guides, volunteers, all other participants in the tour, and all other persons or entities acting in any capacity on Wandering Nomads behalf from any and all claims, demands for loss, damages (including without limitation damages related to the inherent risks and other dangers discussed above), injuries (including without limitation sickness, bodily or emotional injury or death), damage to property (including without limitation lost luggage or other belongings) or any other causes of action relating in any way to my participation in the tour.
